\*Some credit institutions and companies in Austria and in the Euro zone have been charging a compensation on withdrawals from cash machines and on payments at POS terminals. Those compensations are not for services provided by Hypo and are payable by the customer to the credit institutions and company charging those fees.

The agreed compensations for permanent services provided by the bank (except for interest) are adjusted effective on 1 November of a year on the basis of the Consumer Price Index 2000 published by Statistik Austria or any index replacing the same.

\*\*US account holders are: i) US citizens, ii) US residents for tax purposes and iii) account holders with US indicia upon failure to provide appropriate „cure“ documentation, and in consideration of entity accounts i) entities organized in the US and ii) entities controlled by a US person.
